

Graduate / Planner 2022

London | Harrogate | Bristol

Planning Potential is a fast-paced and dynamic planning consultancy accelerating up the annually published rankings in Planning Magazine.

Established in 2005, we've delivered solutions to hundreds of clients to address a wide variety of planning challenges.

With an exceptional reputation, impressive client base and wide-ranging portfolio, our planners have developed skills and experience to respond to any challenge. With offices in Central London, Harrogate and Bristol, we are well placed to respond to projects throughout the UK.

Overview

We are delighted to invite applications to join our Graduate Scheme in London as our business grows in response to new projects from an impressive range of clients.

This exciting opportunity provides training with our senior team, giving the successful candidates experience across residential and commercial sectors. Graduates will assist on all projects including: site appraisals, field research, preparing planning applications and, when required, planning appeals. Working within a busy fast-paced environment, the ability to work flexibly within a team and think innovatively is essential.

The successful candidates will work with an enviable and loyal client base across a range of sectors including: retail, residential, mixed-use and leisure.

Qualifications & Experience

These vacancies are open to candidates graduating summer 2022 who have undertaken a degree in Town Planning or a related field that is accredited by the RTPI.

- A minimum of 2.1 at undergraduate degree level is required
- A postgraduate qualification is highly desirable
- You will ideally have some commercial experience, but this can be from a placement through university

As well as meeting our academic requirements, we're also interested in you as a person. We're looking for candidates who can:

- Demonstrate high standards of written and verbal communication
- Show good analytical, problem solving and inductive reasoning skills
- Collaborate with colleagues, sharing information and knowledge
- Focus strongly on clients with a commercial awareness
- Demonstrate a structured and methodical approach to tasks, identifying priorities and setting deadlines

- Demonstrate the ability to work on a number of different projects concurrently
- Research, learn and apply new skills and knowledge quickly
- Use your own initiative, seeking out new opportunities for learning, career progression and challenges
- Show a good understanding of Word and Outlook as well as knowledge of other Microsoft Office applications

Salary

Range: £22,000 - £24,000

Continued Professional Development

The successful candidates will be required to work towards the Assessment of Professional Competence (APC) to become a chartered member of the Royal Town Planning Institute (MRTPi). Planning Potential actively supports staff and provides mentoring and review of APC submissions.
