

Beverley is a highly organised, efficient, capable and helpful member of the team.

BA (Hons) Economics – University of Northumbria

Beverley joined Planning Potential in 2011, she is responsible for companywide sales invoicing and credit control management. Also providing logistical and administrative support for the Harrogate office planning team, helping maintain an efficient and smooth functioning office.

She assists in the promotion of sites and community engagement at the pre-application stage. Beverley is instrumental in coordinating online and postal consultations, as well as collating and analysing feedback, to support planning applications.
