

Rosie Driscoll

Administrator

A valued member of the Planning Potential team, Rosie has an extensive background in consumer relations and assists with the day-to-day operations of the London office.

BA (Hons) Inclusive Performance - Middlesex University London

Rosie joined Planning Potential in July 2019, bringing more than five years' experience in customer facing roles within the education and charity sectors. In her previous roles, Rosie organised several conferences and events, and built her managerial qualities whilst operating in the hospitality industry.

Rosie is adept at providing logistical and administrative support to colleagues working across both the Planning Potential and Communications Potential businesses. Conscientious, highly organised, and a keen team player, she has quickly settled in as a valued member of the operations team.

In her spare time, Rosie is a keen baker. Her highlights include preparing cakes for weddings and birthdays, which should take the level of competition in Planning Potential's quarterly bake-off to new heights. Aside from pursuing her culinary interests, Rosie enjoys keeping fit and travelling.
